Astra Formal CPD Presentations Procedure

The sequence for an Astra Formal CPD presentation is as follows:

- 1** Each attendee to fill in their contact details on the activity sheet.
- 2** Complete the Activity Sheet during the session. Each question will be prompted at the relevant point.
- 3** For Zoom (or Microsoft Teams) presentations it is appreciated if cameras are turned on. This helps the trainer to deliver the course content more effectively being an interactive session.
- 4** On completion, review questions and answers with the presenter.
- 5** Save/scan and email the completed activity sheet to the presenter.
- 6** Astra to provide formal CPD Certificate of Assessment to the value of 1 Formal CPD Point or 2 Formal Points where available.

Thanks again, we look forward to seeing you and your team!
