# The Astra Shelter Range

## → Manchester Skillion Shelters

The Manchester Skillion Shelters are a traditional style shelter with 4 or 6 posts and available in 5 different standard sizes.

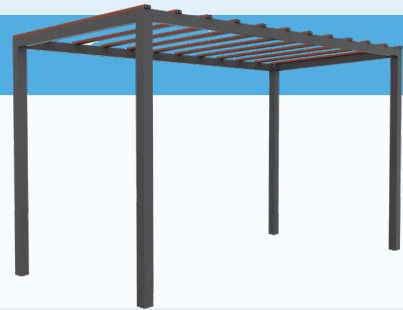

[See Pages 6-8](#)

## → Manchester Pergolas

Manchester Pergolas feature a strong aluminium frame with a slatted top, designed as a striking architectural element. They provide a shade structure without full sun or rain protection.

[See Page 9](#)

## → Manchester Cantilever Shelters

The Manchester Cantilever Shelters will make a grand impression on any outdoor landscaped area.

[See Pages 10-13](#)

## → Manchester Walkway Shelters

Manchester Walkway Shelters feature a robust aluminium frame with a Colorbond roof and kit-form design. Modular 4 m x 2 m sections link together to create expansive covered walkways.

[See Page 14](#)

## → Manchester Pitched Roof Shelters

The Manchester Pitched Roof Shelter is a classic design featuring a strong, easy-to-assemble aluminium structure with a Colorbond roof, ideal for permanent shade in public spaces.

[See Page 15](#)

## → Liverpool Shelters

The Liverpool Shelter is an excellent way to cost-effectively provide shade over a single seat, bench or small picnic setting. See our new notice board option too.

[See Page 18](#)

## → Manchester Bus Shelters

The Manchester Bus Shelters are a very popular traditional style bus shelter, available in 3 sizes and a range of side options. Add custom colours to make a statement of it.

[See Pages 20-23](#)

## → Umbrellas

The Astra range of umbrellas complements every outdoor setting, providing important shade, especially on hot Australian Summers.

[See Pages 24-25](#)

## → Grandstands

The Astra Grandstands, made from Heavy Duty aluminium, are a great way to provide suitable tiered seating for spectators at all sporting events.
