Digital Visualisation: See before you buy

The Area Safe Group's 3D visualisation service can help you see our products in your facility as if they were already there. Get a realistic preview of your choices and make informed decisions with confidence.

It is an easy 3 step process:

- 1** Take a photo of the space(s) you wish to include furniture in.
- 2** Choose any furniture items from the Astra Street Furniture range.
- 3** **Scan the QR code above** and complete the form, detailing your requirements and uploading a photo of the space you'd like to visualise. Alternatively you can email your photo and details to sales@astrastreetfurniture.com.au

The Astra Manchester Suite

Skillion Style

The Manchester Skillion Shelters are a traditional style shelter with 4 or 6 posts and available in 5 different standard sizes. Add screens or solar lighting kits to further enhance your users experience.

(See Pages 6-9)

Cantilever Style

The Manchester Cantilever Shelters are a statement piece. This range of shelters will make a grand impression on any outdoor landscaped area.

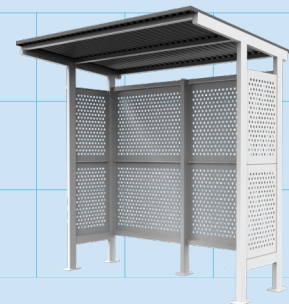

(See Pages 10-16)

Bus Shelters

The Manchester Bus Shelters are a very popular traditional style bus shelter, available in 2 sizes and a range of side options. Add custom colours to make a statement of it.

(See Pages 16-17)

Walkway Shelters

Manchester Walkway Shelters feature a robust aluminium frame with a Colorbond Custom Orb roof, engineered for harsh conditions. They offer modular, extendable coverage for walkways and outdoor spaces in schools and public areas.
