Digital Visualisation: See before you buy

The Area Safe Group's 3D visualisation service can help you see our products in your facility as if they were already there. Get a realistic preview of your choices and make informed decisions with confidence.

It is an easy 3 step process:

- 1** Take a photo of the space(s) you wish to include furniture in.
- 2** Choose any furniture items from the Astra Street Furniture range.
- 3** **Scan the QR code above** and complete the form, detailing your requirements and uploading a photo of the space you'd like to visualise. Alternatively you can email your photo and details to **sales@astrastreetfurniture.com.au**

The Astra Orbit Suite

Base Plate

Orbit tables and stools with base plate mounting offer secure, bolt-down installation. Ideal for high-traffic areas, they provide stability and durability in public spaces.

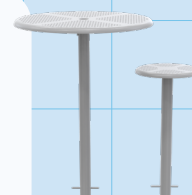

(See Page 7)

In-ground

In-ground-mounted Orbit furniture ensures permanent placement, perfect for parks and urban settings. The fixed installation deters vandalism and maintains alignment in communal areas.

(See Page 7)

Laminate Top

Orbit tables with laminate tops provide a smooth, easy-to-clean surface. Suitable for schools and food courts, they combine functionality with a modern aesthetic.

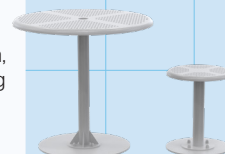

(See Page 9)

Freestanding

Freestanding Orbit tables and stools offer flexibility for various layouts. Easy to reposition, they suit temporary setups or spaces requiring adaptable seating solutions.

(See Page 9)

Bar Height Bolt Down

Elevated Orbit tables with bolt-down installation provide a secure, stylish option for outdoor dining. Their height encourages social interaction in cafes and public venues.

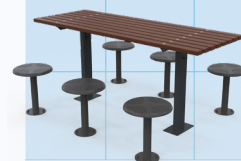

(See Page 10)

Rectangular Table

The Orbit rectangular table accommodates larger groups, featuring durable materials and optional fixed stools. Perfect for communal dining in parks and educational institutions.

(See Page 10)

Bar Height Freestanding

Freestanding bar-height Orbit tables offer versatility and ease of movement. Ideal for events or areas needing flexible high-top seating arrangements.

(See Page 11)

Cylinder Stools

Orbit cylinder stools are compact and robust, designed to complement Orbit tables. Their minimalist design suits various outdoor settings, offering comfortable individual seating.

PRODUCTS

+ Orbit 5 Piece Settings – Orange, Green, Yellow & Blue

The beginning of Clancy Catholic College's story began in January 2006 with the founding Principal, Mr John Robinson. The first Year 7 cohort had a total of 55 students with the schools first Year 12 Cohort completing the HSC in 2011. The school more than 14 years on has a growing population of more than 1200 students with approximately 130 talented staff members with David Fetterplace as the current Principal.

What the client said

"All going very well - the principal is very happy with the furniture and students have not done anything negative like scratch them or anything."

+ Laminate Top Orbit Settings

Hornsby South Public School is an inclusive and creative learning community focused on excellence in teaching practice and student achievement. There are forty-four different language backgrounds other than English that are represented in the school community.

What the client said

"The new Astra furniture we've placed around the school is great! The kids love it just outside the canteen because they can eat and chat with their friends. Also, it will get well used when the school is being utilised for other events, such as the state election voting day etc."

+ Orbit Round Table - Monument

Ashfield Boys' High School is a government-funded comprehensive single-sex secondary school for boys, located on Liverpool Road, in Ashfield. It was established in 1962 and caters for students from Year 7 to Year 12.

What the client said

"Very happy with the way this new outdoor furniture has lifted this somewhat old and drab space! The Woodville Benches and Orbit tables are really space efficient and are a great alternative for larger settings that don't fit well in small areas like this. The 3D renders we were provided with beforehand were fabulous and helped us to envisage exactly what the outcome would be."

+ Orbit Round Table - Monument

TAFE St George, located in Kogarah, is a prominent campus of TAFE NSW, offering a wide range of vocational courses across fields such as business, IT, health, creative arts, hospitality, trades, and engineering. The campus features modern facilities, including specialised training areas and state-of-the-art workshops, and is staffed by industry-experienced instructors.

What the client said

"It was great that the Astra team could visit the campus to discuss layouts and designs to suit each area. The delivery got to us in time to install before the NAIDOC event the next day and the woodgrain slats look amazing."
