Design Specification Sheet

Our in-house graphic design team can work with you to create the artwork for your sign. Alternatively, if your company prefers to use its own graphic designer, we've made the process simple. Please refer to the specifications and templates provided on this page.

Please note: Signboards can have artwork on one or two sides. Both sides are the same size unless otherwise specified. Please ensure you supply artwork files for both sides if required.

Artwork Specifications

- Format:** → PDF
 → All fonts outlined
 → Logos vectorised
 → 10mm bleed
 → 300dpi at the required dimensions below

Colour Mode: CMYK or RGB
