How it works

Most grant programs ask for quotes or a costed budget before you apply. We make that part easy. Tell us what you are planning and we will send back a complete, free, no-obligation quote pack within 24 business hours.

1 Tell us about your project

Your organisation, the grant you are applying for, your state, rough budget and deadline. A photo of the site helps.

3 Attach it and apply

Your price is held until the grant outcome is announced, so the budget in your application stays accurate.

2 We send your quote pack

Within 24 business hours: itemised quote, spec sheets, product images and a supplier statement you can paste in.

4 Funded? Order with us

We dispatch in under a week from Australian stock, so your project is completed sooner.

WHAT'S IN YOUR PACK

- ➔ Itemised quote, valid for 12 months or price-held until the grant outcome
- ➔ Product spec sheets with dimensions, materials and finishes
- ➔ Product photos, plus a 3D visualisation of your site on request
- ➔ A supplier statement to paste into your application (see next page)
- ➔ A supplier letter on Astra letterhead confirming price and availability
- ➔ For councils: preferred-supplier panel details, so you can buy without tendering

WHY APPLICANTS CHOOSE ASTRA

Fast

Your quote in 24 business hours.
Dispatch in under 1 week.

Local

Designed and made in Australia.

Inclusive

Accessible settings and seating, DDA compliant options.

Low risk

Price held until your grant outcome.

Supplier statement

Copy the wording below into your application where it asks about suppliers, value for money, local content or accessibility. Edit the bracketed parts to suit your project.

About the supplier

Furniture for this project will be supplied by Astra Street Furniture, an Australian designer and manufacturer of street and park furniture for councils, schools, sporting clubs and community spaces.

Australian made

The proposed furniture is designed and manufactured in Australia, supporting local jobs and ensuring consistent quality control.

Value for money

Pricing is based on an itemised supplier quote dated (date), held until the grant outcome is announced. Products are built from durable materials such as powder coated steel and aluminium, selected for a long service life with low maintenance.

Accessibility and inclusion

The selection includes accessible items such as (wheelchair-accessible picnic settings / DDA compliant drinking fountains / seating with armrests), so the space can be used by people of all ages and abilities.

Delivery

Items are typically dispatched within one week of order, allowing the project to be delivered quickly once funding is confirmed.

Sustainability

Each Astra product is rated under the Astra Carbon Footprint Tracker for embodied carbon, recycled content, lifecycle and end-of-life repurposing. Ratings for the selected items are available on request.

Wording is a guide only. Check each grant's guidelines and adapt it to your application.
